

Shareplan Brochure 2021

Employee Shareholding at AXA

Foreword

© Benjamin Boccas

Thomas Buberl
AXA Group CEO

For the past 28 years, the Shareplan operation has offered AXA's employees the opportunity to enabling to become shareholders under preferential conditions and engage in the Group's development and success.

In 2020, Shareplan took place in 37 countries with over 110,000 employees who were exceptionally exclusively offered the "traditional" formula at a known subscription price, amid challenging market conditions. Despite this, nearly 15% of the eligible employees, subscribed to Shareplan for aggregate proceeds of over Euro 88 million.

I am glad to announce that this year both traditional and leverage formulas will be proposed again, depending on your local offer.

The Group's 1H 21 underlying earnings released on August 2 were very strong with revenues up 7% to €54 billion and underlying earnings reaching Euro 3.6 billion up 101% and representing a 12% growth excluding the impact from Covid-19 last year. This strong result was achieved across all our markets, and notably at AXA XL with very good underwriting performance.

AXA's balance sheet remained very strong, as illustrated by our solvency II ratio of 212% at the end of June, up 12 points from the end of 2020."

As part of Driving Progress 2023, AXA continues its transformation journey, and the Group is playing an active role in society by supporting the economic recovery and strengthening further its engagement towards shaping climate transition.

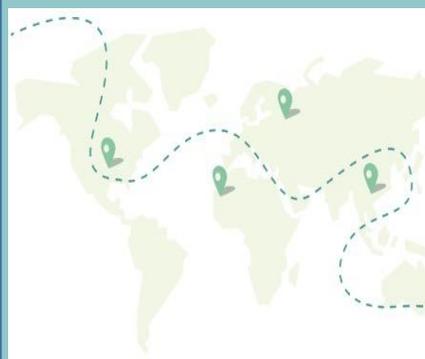

These excellent results reflect the collective efforts of all AXA's colleagues, agents and partners.

I would like to thank you for your relentless engagement, as well as our clients for their continued trust.

In this brochure, you will find useful information to help you make an informed investment decision. Your Human Resources correspondents are also available to answer any question you may have.

Choosing to invest your savings in Shareplan is of course an individual decision and I would encourage each of you to consider this carefully in line with your own personal objectives.

Shareplan means...

Approximately

€88 million
invested in 2020

4.27%

of AXA's capital held by
employees on December 31st,
2020

6.19%

of voting rights held by
employees and agents on
December 31st, 2020

IMPORTANT

Before making your investment decision, you should read the terms of the Shareplan 2021 offering very carefully, particularly the Key Investor Information Documents (KIID) for each of the Employee Stock Ownership Funds related to the Shareplan 2021 offering. The KIID is a concise summary of the essential characteristics of each fund related to this offering. In making your decision whether or not to invest, you should carefully consider the terms of the Shareplan offering and your personal financial situation as well as the risks of investing in AXA shares, including the risk of significant volatility in AXA's share price over the term of your investment and the impact of changes in exchange rates upon the value of your units. AXA cannot guarantee that the partner bank Natixis will fulfill its obligations with respect to the leverage effect plan (Leverage Plan). For a description of certain risks concerning AXA or investing in AXA shares, please see AXA's Annual Report (Universal Registration Document), Part 4, "Risk Factors and Risk management", available on AXA's website (www.axa.com) and the KIID for each Employee Stock Ownership Fund.

General principles

With Shareplan 2021, participate in AXA's new capital increase reserved for the Group's employees and agents.

Investment choices offered

You are being offered two investment choices under the AXA Group employee savings plan implemented for countries outside of France (International Employee Stock Purchase Plan or IESPP) also referred to as Shareplan:

The Traditional Plan

the terms of which are presented on page 4

The Leverage Plan

the terms of which are presented on page 6

You may invest in either plan or a combination of the two at a discount to the Reference Price. As with previous years, investments in Shareplan are restricted and may not be redeemed or transferred for a period of approximately five years, subject to very limited exceptions described on page 12.

Key Dates

Shareplan 2021 will take place as follows:

* 16 October and 17 October are weekend dates, the online subscription site will remain open but Equiniti's offices will be closed.

On the capital increase date, the new shares offered under Shareplan 2021 will be issued, and participants in Shareplan 2021 will become shareholders of the AXA Group through Employee Stock Ownership Funds.

Conditions

- Investment ceiling:** your total investment under both plans (including the partner bank's additional contribution under the Leverage Plan) must not exceed an amount equal to 25% of your gross annual salary for 2021. During the Cancellation/subscription period, the total investment ceiling remains at an amount equal to 25% of your gross annual salary for 2021 but within this, your investment in the Leverage Plan (including the partner bank's additional contribution) may not exceed 2.5% of your gross annual salary for 2021 (see page 9 for a full explanation of the maximum investment amount).
- Investment term:** once invested, your assets will be available as of July 01, 2026, or earlier in the event of early release cases (see page 12).
- Interest Free Loan:** you can apply for an interest free loan of up to £5,000 which will be repaid through deductions from your salary over 10 months, starting in January 2022. Please refer to the FAQs for information regarding what will happen if you leave AXA and have not repaid the loan in full.
- Traditional Plan Income tax/ NICs:** If the closing AXA share price on the Capital Increase date is higher than the Subscription Price then you will have a liability to income tax and National Insurance Contributions (NICs) on the value of the discount provided. This will be deducted by payroll from your December 2021 salary (see the Tax file, pages 14 to 16). You should take the impact of this deduction on your December 2021 pay into account when considering the affordability of making a Traditional Plan investment.

Making your investment decision

Traditional Plan

Principle

You invest at a Subscription Price set at a 20% discount to AXA's Reference Price.

You subscribe for units of the Employee Stock Ownership Fund AXA ACTIONS RELAIS GLOBAL 2021. This Fund, created for Shareplan 2021, will subscribe for AXA ordinary shares under this offering reserved for employees, for which listing on Euronext Paris will be requested at the time of their issue. It is intended to be merged with the existing shareholding Fund AXA Shareplan Direct Global once the capital increase has been carried out and after approval of the French securities regulator (Autorité des marchés financiers - AMF) and of the Supervisory Board of the Fund. Dividends paid on the fund's shares are reinvested into additional AXA shares which results in the issuance to you of more units or fractions of units.

IMPORTANT RISK INFORMATION:

Volatility risk: The value of your units is linked to the performance of the AXA share price (increasing or decreasing) against the Subscription Price. The value of your investment is not guaranteed and the value of your units can go up or down with the AXA share price. Therefore you could get back less than the original amount you invested and be exposed to a capital loss.

Exchange rate risk: The value of your units will be affected by currency fluctuations and the amount you get back will be subject to the exchange rate applying at the time between the Euro and Sterling.

In addition to the risks highlighted above, there are further risks associated with investing in the Traditional Plan. Refer to the section headed 'Risk Profile and Rate of Return' within the 'Key Information for Investors Document (KIID) - Traditional Plan' for further details.

Example assuming a personal investment of €100

Your personal investment €100	THE VALUE OF YOUR UNITS AT REDEMPTION**			
	Final price of €15.00	Final price of €16.80	Final price of €21.00	Final price of €26.00
Reference Price of €21.00*				
Subscription Price of €16.80 You invest €100/€16.80 = 5.95 units	<p>↓</p> <p>LOWER than the Subscription Price</p> <p>€15.00 x 5.95 =</p> <p>€89.25</p> <p>i.e. a compound annual growth rate of -2.4%</p> <p>(Capital loss)</p> <p>+ Potential reinvested dividends</p>	<p>=</p> <p>EQUAL to the Subscription Price</p> <p>€16.80 x 5.95 =</p> <p>€100.00</p> <p>i.e. a compound annual growth rate of 0%</p> <p>(No capital loss or gain)</p> <p>+ Potential reinvested dividends</p>	<p>↗</p> <p>HIGHER than the Subscription Price</p> <p>€21.00 x 5.95 =</p> <p>€124.95</p> <p>i.e. a compound annual growth rate of 5.0%***</p> <p>(Capital gain)</p> <p>+ Potential reinvested dividends</p>	<p>↗</p> <p>HIGHER than the Subscription Price</p> <p>€26.00 x 5.95 =</p> <p>€154.70</p> <p>i.e. a compound annual growth rate of 10.0%</p> <p>(Capital gain)</p> <p>+ Potential reinvested dividends</p>

* This Reference Price of €21.00 is given as an example only. The Reference Price for the Shareplan 2021 will be announced on October 13, 2021.

** Income tax and NICs will be payable on any subscription price discount at the time of the capital increase. No income tax and NICs should be payable at redemption. A capital gains tax charge may apply. Please refer to the Tax file section for further information, pages 14 to 16

*** 5.0% = $(€124.95/€100)^{1/4.60} - 1$, with 4.60 being the number of years between November 26, 2021 and July 01, 2026

The prices and figures shown in the example are for illustrative purposes only and you should refer to the Fund's KIID and Regulations for full details of how the value of your units would be calculated.

Upon redemption, you may get back less than your original Sterling investment depending on the Euro: Sterling exchange rate. The compound annual growth rates detailed in the example above do not reflect the impact of exchange rate fluctuations.

Making your investment decision

Leverage Plan

Principle

You subscribe for units in the Leverage Plan (FCPE - Compartiment AXA Plan 2021 Global) which is invested in newly issued ordinary AXA shares, for which listing on Euronext Paris will be requested at the time of their issue.

When you subscribe under the Leverage Plan, an additional contribution by the partner bank, Natixis, enables an investment to be made on your behalf equal to 10 times your personal Euro investment. The investment is at a Subscription Price set at a 6.75% discount to AXA's Reference Price.

Your personal investment is guaranteed in euros by the partner bank Natixis.

In return for these benefits, you agree to waive the benefit of the 6.75% discount to the Reference Price applied at subscription when calculating the gain at maturity (or early release) as well as the dividends and a portion of any gain over the Reference Price on all of the units subscribed on your behalf.

Calculating your value at redemption

The value of your units at redemption corresponds to your initial personal Euro investment (which is guaranteed) increased by a proportion of the amount (if any) by which the AXA share price exceeds the Reference Price.

IMPORTANT RISK INFORMATION:

Volatility Risk: The value of your units is linked to the performance of the AXA share price and can go up or down with the AXA share price.

Exchange Rate Risk: The value of your units will be affected by currency fluctuations and the amount you get back will be subject to the exchange rate applying at the time between the Euro and Sterling.

In addition to risks arising from exchange rate fluctuation there are further risks associated with investing in the Leverage Plan. Refer to the section headed 'Risk Profile and Rate of Return' within the 'Key Information for Investors Document (KIID) – Leverage Plan' for further details.

Example assuming a personal investment of €100

Your personal investment €100	THE VALUE OF YOUR UNITS AT REDEMPTION**				
Reference Price of €21.00*	Final Price of €15.00	Final Price of €19.00	Final Price of €22.562	Final Price of €24.245	Final Price of €37.897
€19.58 You invest : €100/€19.58 = 5.11 units	 LOWER than the Reference Price You receive €100 i.e. a compound annual growth rate of 0%	 LOWER than the Reference Price You receive €100 i.e. a compound annual growth rate of 0%	 HIGHER than the Reference Price You receive your personal investment multiplied by 1.5 (€150)*** i.e. a compound annual growth rate of 9.2% **** (€150 = your personal investment of €100 + €50 gain)	 HIGHER than the Reference Price You receive your personal investment multiplied by 2 (€200) i.e. a compound annual growth rate of 16.3 % (€200 = your personal investment of €100 + €100 gain)	 HIGHER than the Reference Price You receive your personal investment multiplied by 5 (€500) i.e. a compound annual growth rate of 41.9 % (€500 = your personal investment of €100 + €400 gain)

* This Reference Price of €21.00 is given as an example only. The Reference Price for Shareplan 2021 will be announced on October 13, 2021.

** Excluding any applicable deductions of income tax and NICs.

*** $€150 = €100$ (your initial investment) + $[5.11 * 10 * 0.65 * (€21.00 / (0.50 * €22.562 + 0.50 * €21.00))] * (€22.562 - €21.00)$ i.e. a compound annual growth rate of 9.2%. Refer to the formula on the next page for an explanation of this calculation.

**** $9.2\% = (€150/€100)^{(1/4.60)} - 1$ with 4.60 being the number of years between November 26, 2021 and July 1, 2026.

The prices and figures shown in the example are for illustrative purposes only and you should refer to the Fund's KIID and Regulations for full details of how the value of your units would be calculated.

Upon redemption, you may get back less than your original Sterling investment depending on the Euro: Sterling exchange rate. The compound annual growth rates detailed in the example above do not reflect the impact of exchange rate fluctuations.

Making your investment decision

Leverage plan

Calculating the value of your units at redemption

The final value of your units will be equal to the total sum of your personal Euro investment and, if the Final Price exceeds the Reference Price, a proportion of this excess.

If the Final Price is higher than the Reference Price, the performance will be determined by multiplying (i) the number of units subscribed through your personal Euro investment, (ii) the variable performance multiple and (iii) the share price appreciation, i.e. the average closing share price for the period during which the Final Price is calculated minus the Reference Price.

If the Final Price is not higher than the Reference Price, the Euro gain is zero, and you will only get back your personal Euro investment.

The three components used to calculate the sum of any gain are set out in the formula below:

$$\left(\frac{\text{Personal Euro Investment}}{\text{Subscription Price}} \right) \times \left(\frac{\text{Leverage effect (10)} \times \text{Percentage of Participation} \times \text{Reference Price}}{0.5 \times \text{Final Price} + 0.5 \times \text{Reference Price}} \right) \times (\text{Final Price} - \text{Reference Price})$$

↓
↓
↓

Number of units
Variable performance multiple
Share price appreciation

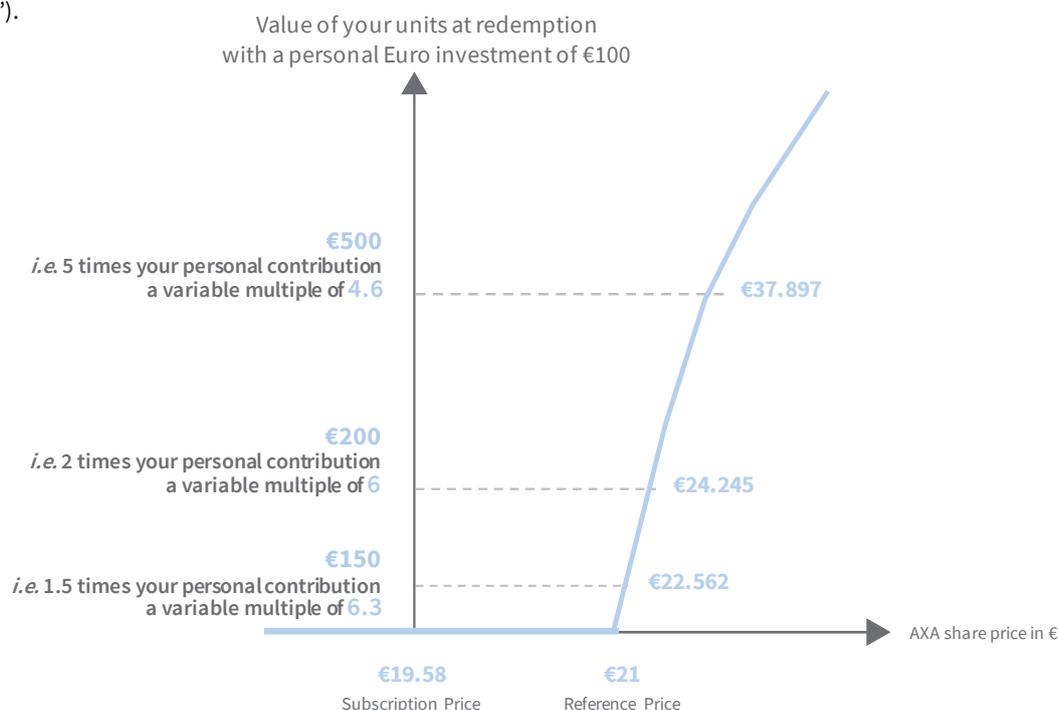

The Reference Price and the Percentage of Participation may be adjusted upward or downward, within the conditions described in the Fund regulation. The Percentage of Participation may be adjusted to reflect a change in laws, regulations or taxation, including the application of taxes on financial transactions. The Percentage of Participation of 65% was determined with particular regard to the laws, regulations and taxation in force on the date of the call for bids to select the partner bank for this year's operation, i.e. March 24, 2021.

Note: The Percentage of Participation is lower at 65% than the 75% used in previous Leverage Plan offerings.

The variable performance multiple

The variable performance multiple decreases when the AXA share price increases. Therefore, in our example when the final price is €22.562, the variable performance multiple amounts to 6.3 and when the final price is €37.897, the variable performance multiple amounts to 4.6.

Regardless of this, the higher the share price above the Reference Price, the greater your Euro gain (in the Fund Regulations this is defined as "performance").

The prices and figures shown in the example are for illustrative purposes only and you should refer to the Key Information for Investors Document (KIID) – Leverage Plan and Regulations for full details of how the value of your units would be calculated.

Making your investment decision

As a financial organisation, AXA Epargne Enterprise is subject to legal obligations arising from the French Monetary and Financial Code in the fight against money laundering and the financing of terrorism (Articles L. 561-1 and following, R 561-16 of the Monetary and Financial Code).

In order to fulfil them AXA Epargne Enterprise carries out a process for monitoring subscriptions. If you make a subscription of €15,000 or more you agree to provide AXA Epargne Enterprise, upon request, with a copy of a valid identity document (for example a passport, photocard driving licence or residence permit) and documents to show the origin of the funds of your payment (for example, a bank statement).

Comparing the two plans

Example with a Reference Price of €21 and an investment of €100 in each plan.

	Traditional	Leverage
SUBSCRIPTION PRICE	20% discount to the Reference Price	6.75% discount to the Reference Price (you give up this discount when performance is calculated for redemption)
INVESTMENT GUARANTEED BY THE PARTNER BANK	NO	YES (in return, you give up the discount to the Reference Price, as well as any dividends and a portion of any gain when the value of your units is calculated on redemption)
DIVIDENDS	YES (reinvested in additional units or fractions of units)	NO
PERSONAL INVESTMENT CEILING	25% of gross annual salary (see the 'Zoom on' on the investment ceiling on page 9)	2.5% of gross annual salary, or 0.25% of gross annual salary during the Cancellation/ subscription period (Note: excluding the additional contribution by the partner bank) (see the 'Zoom on' on the investment ceiling on page 9)
CALCULATION OF THE GAIN	Above the Subscription Price	Above the Reference Price
Your personal Euro investment multiplied by:		
	If the Final Price* reaches:	
1.5 <i>i.e. a compound annual rate of 9.2%</i>	€25.20	€22.562
2 <i>i.e. a compound annual rate of 16.3%</i>	€33.60	€24.245
5 <i>i.e. a compound annual rate of 41.9%</i>	€84.00	€37.897

(1) The prices and figures shown in the examples above are for illustrative purposes only and you should refer to the Fund's KIID and Regulations for full details of how the value of your units would be calculated.

(2) Refer to the Investment Modelling tool (page 10) for illustrative investment outcomes based on a full range of Final Prices, including where the Final Price may be lower than the Subscription or Reference Price.

(3) The calculations above do not take into account dividends reinvested under the Traditional Plan.

(4) The compound annual growth rates detailed in the table above do not reflect the impact of exchange rate fluctuations.

(5) For a summary of the UK tax position for each plan, please refer to the Tax File (pages 14-16).

Zoom on...

The investment ceiling

The maximum amount that can be invested in both plans combined (including the partner bank's contribution) is an amount equal to 25% of your gross annual salary.

- During the Reservation period, the investment ceiling is an amount equal to 25% for both plans, including the partner bank's additional contribution for the Leverage plan.
- During the Cancellation/subscription period, the ceiling remains an amount equal to 25% for both plans but within this only 2.5%, including the bank's additional contribution, under the Leverage plan.

Assuming that:	Reservation period:	Cancellation/subscription period:
<ul style="list-style-type: none"> • A is the amount invested in the Traditional plan • B is the amount invested in the Leverage plan, including the bank's additional contribution $B=10*b$ 	$A + B \leq 25\%$ of your gross annual salary	$A + B \leq 25\%$ of your gross annual salary
	of which	of which
<ul style="list-style-type: none"> • b being your personal investment in the Leverage plan 	$B \leq 25\%$ i.e. $b \leq 2.5\%$	$B \leq 2.5\%$ i.e. $b \leq 0.25\%$

Adjustment of subscription requests:

If the total amount of shares requested exceeds the amount of the capital increase authorized by the AXA Board of Directors*, AXA will proportionately adjust each participant's personal Euro investment. In this case, beneficiaries will be notified individually and will receive, if appropriate, a statement indicating the difference between the initial Euro subscription and the amount actually invested. This applies to:

- Personal Euro investment in both plans (Traditional and Leverage).
- All participants in the 2021 capital increase.

The excess of any personal subscription amount over the adjusted investment amount will be returned by bank transfer or not deducted through salary.

* The maximal nominal amount of 135 million euros, corresponding to the issue of 58,951,965 ordinary shares.

Example:

If subscriptions had to be reduced by 25% then this would work as follows:

Employee's personal Euro investment: €1,500, with a €1,000 investment in the Traditional plan and €500 in the Leverage plan. For the €500 invested by the eligible employee under the Leverage plan, €4,500 is contributed by the banking partner. As such, €6,000 is invested on the eligible employee's behalf (€1,000 in the Traditional plan and €5,000 (€500 + €4,500) in the Leverage plan).

Amount invested after adjustment: €6,000 * (1-25%) = €4,500, with:

Traditional plan: €1,000 * (1-25%) = €750

Leverage plan: €5,000 * (1-25%) = €3,750

Total employee investment: €750 + €3,750 = €4,500

How to model your investment?

An investment modeling tool is accessible at the following address:

Internet: <https://shareplan.axa.com>

password: Shareplan2021

IMPORTANT RISK INFORMATION

The figures in this tool are provided for illustrative purposes only. The final value of your units and the amount you receive on redemption of your units (including any personal Euro investment under the Leverage Plan) will be determined in accordance with the Fund Regulations and will be affected by the performance of the AXA share price (which can go up or down) and the prevailing Euro : Sterling exchange rate at the time. Currency fluctuations may mean that the Sterling equivalent of your personal Euro investment on redemption is lower than the original Sterling amount you invested.

Shareplan Sites

Further information to help you make an informed decision:

Website: <https://www.axa-employeebenefits.co.uk/shareplan>

In particular, you will find a link to a set of FAQs, the Key Investor information Documents (KIIDs), as well as the regulations for each Fund on this website.

Internet: <https://employeeholding.axa.com>

Manage your investment

You can track the valuation of your units and check the latest transactions on your account on the secured website www.capeasi.com (accessible through the Intranet and/or Internet with your Internet account number and your personal password which can be obtained from Equiniti).

Contact

If you have any questions regarding Shareplan you can contact Equiniti by phone using the employee helpline number (0371) 384 2155 or by email at axashareplanenquiries@equiniti.com

Practical details

Who is eligible to participate?

Employees of AXA Group on August 24, 2021 and on the last day of the Cancellation/subscription period, i.e. October 18, 2021, with at least three months of continuous service with the AXA Group on October 18, 2021.

Key dates

- You will be able to reserve your subscription from August 24 to 4pm (UK time) on September 07, 2021, inclusive.
- The Reference and Subscription Prices will be known on October 13, 2021*, and announced on the Group website (www.axa.com) and on <https://www.axa-employeebenefits.co.uk/shareplan>.
- There will be a Cancellation/subscription period from October 14 to 4pm (UK time) on October 18, 2021, inclusive, during which you may choose to:
 - **Confirm your reservation**, in which case you will not have anything to do, your reservation will be automatically confirmed,
 - **Cancel your entire reservation**, using the online Shareplan service,
 - **Apply to subscribe using the online Shareplan service:**
 - Under the Traditional plan, based on the same terms as during the Reservation period,
 - Under the Leverage plan, with a lower maximum investment amount equal to 2.5% of your 2021 gross annual salary (including the partner bank's additional contribution, meaning that **your personal contribution may not be higher than 0.25% of your gross annual salary in 2021**).

Note: October 16 and October 17, 2021 are weekend dates, the online subscription site will remain open but Equiniti's offices will be closed.

** Subject to the decisions of the AXA Chief Executive Officer setting the final dates of the Cancellation/subscription period and the Subscription Prices.*

How do I make a reservation/subscription?

Reservation period

On August 24, 2021, you will receive an invitation (either by email or through the post depending on your work circumstances), which will contain the link to the online Shareplan service and your Unique Reference Number (URN).

Through <https://www.axa-employeebenefits.co.uk/shareplan/shareplan-2021> click on **"Invest Now"** and you will access the online system and be asked to enter your **URN** and **National Insurance number**. From here proceed through to the online Shareplan service where you can make your reservation.

Cancellation/subscription period

On October 14, 2021, you will receive a second communication outlining the choices available to you.

Payment Methods

You can pay for your Shareplan investment using one of the methods below:

- **By Debit card using the secure online Shareplan service**

Payment must be with a UK bank debit card. Credit or foreign cards are **not** accepted.

- **By applying for an interest free loan**

Up to a maximum of £5,000 which will be repaid through deductions from salary over 10 months, starting in January 2022. Please refer to the FAQs for information regarding what will happen if you leave AXA and have not repaid the loan in full at the date you leave.

- **By Cheque**

Requires completion of a manual form provided by Equiniti, who will need to receive the form and cheque by 3 September 2021 during the Reservation period or by 15 October 2021 during the Cancellation/ Subscription period in order to process it in time.

- **Or a combination of the above**

How and when can I access my Shareplan units?

Did you know?

Your investments are locked-up for five years. They will therefore be available as of July 1, 2026. There are currently ten early release events that allow you to withdraw from Shareplan before this date.

In the following cases, requests must be submitted within six months of the triggering event:

1. Marriage or civil solidarity pact (PACS), or other equivalent in your jurisdiction if relevant, such as in the UK, a civil partnership;
2. Birth or adoption of a child when there are already at least two dependent children in the household,
3. Divorce, separation or dissolution of a civil solidarity pact provided that you are awarded sole or joint residential custody of at least one dependent child,
4. Creation or purchase of a business or acquisition of a stake in a SCOP cooperative enterprise (an enterprise in which the employees hold the majority of the company's share capital) or other equivalent in your jurisdiction, if relevant, by the participant, his/ her children, spouse or PACS partner, or other equivalent in your jurisdiction if relevant, provided that they have management control;
5. The use of savings for the acquisition, construction, extension with creation of new living space, of a primary residence, or repair of damage to same following the occurrence of a natural disaster defined as such by local authorities.*

*** The redemption value must not exceed the value of the invoice for the work being carried out or the purchase price of the primary residence, if being bought.**

In the following cases, requests may be submitted at any time following the triggering event:

1. Disability with permanent or temporary impossibility to carry out a professional activity of the beneficiary, his/her children, spouse or PACS partner,
2. Death of the beneficiary, his/her spouse or PACS partner,
3. Domestic violence committed against the beneficiary by his or her spouse, partner or PACS partner or his or her former spouse, partner or PACS partner, when a police report or a court order is issued confirming the existence of such domestic violence,
4. Termination of employment or term of office of the beneficiary,
5. Over-indebtedness of the beneficiary as recognized by the relevant local authority.

To calculate the Interim Price (Leverage Plan only) in the event of early withdrawal, please refer to the Key Information for Investors Document (KIID) – Leverage Plan.

IMPORTANT

If a partial early release is requested under one of the options above, further releases using the same reason from any Fund or another year's units will be rejected. Only one redemption per early release reason is allowed. You may, however, be able to make an early release request for another reason.

For further information on early release events please go to www.axa-employeebenefits.co.uk/shareplan

NB: Only early withdrawal events which occur as from October 19, 2021, i.e. after the Cancellation/ subscription period has closed will be allowed. The first date on which an early redemption of units invested in the Traditional Plan (Shareplan AXA Direct Global fund) will take place is December 11, 2021. The first date on which early redemptions of units in the Leverage Plan (Compartment AXA Plan 2021) will take place is December 30, 2021. Each of the ten cases will allow you to process only one early redemption.

What can I do after the holding period?

Traditional plan

Keep your units in the Plan: units remain in the Compartment AXA SHAREPLAN DIRECT GLOBAL (of the AXA Shareplan Direct Global Fund) and their value will continue to vary in line with the AXA share price. Dividends paid on the fund's shares will continue to be reinvested into additional AXA Shares which results in the issuance to you of more units or fractions of units.

Redeem your units*: you will receive a sum corresponding to the number of units held, multiplied by the Final Price which is the first net asset value calculated after your redemption request has been received by AXA Epargne Entreprise. All proceeds from redemption are converted into Sterling using the commercial exchange rate (this is different to the tourist rate) at the point when the proceeds are received in the UK. For more information about redemption see the section on subscription and redemption terms in the Key Information for Investors Document (KIID) – Traditional Plan. Refer to the Tax file for details of the tax position.

If you choose to do nothing at the end of the holding period, your units will remain in the Compartment AXA SHAREPLAN DIRECT GLOBAL and they will remain available for redemption.

You will receive further information in advance of the maturity date regarding the choices available to you.

* See example on page 4

Leverage plan

Leave your units invested: at the end of the holding period, your units will be transferred on request through a merger (following the decision of the Fund Supervisory Board and approval by the AMF), to the Traditional Plan (the existing AXA SHAREPLAN DIRECT GLOBAL compartment of the same Fund). Your units will remain available for redemption and will vary in value in line with the AXA share price. Your personal Euro investment will no longer be guaranteed by the partner bank. Refer to Tax file for details of the tax position/income tax and NICs deductions.

Redeem your units:** you will receive your personal Euro investment and a variable portion of any gain generated, calculated as indicated on page 7 (refer to Tax file for details of the tax position/income tax and NICs deductions). All proceeds from redemption are converted into Sterling using the commercial exchange rate (this is different to the tourist rate) at the point when the proceeds are received in the UK. For more information about redemption, see the section on subscription and redemption terms in the Key Information for Investors Document (KIID) – Leverage Plan.

If you take no action at the end of the holding period, your units will be redeemed and amounts payable to you will be returned via payroll (refer to Tax file for details of the tax position/income tax and NICs deductions).

In all cases, at the end of the holding period, your personal Euro investment will no longer be guaranteed by the partner bank and will be directly affected by any rise or fall in the AXA share price.

You will receive further information in advance of the maturity date regarding the choices available to you.

** See example on page 6

General reminder of good investment practices:

It is recommended that you balance and diversify all your investments and adapt your investment choices according to:

- Your investment capacity;
- Your profile as an investor: cautious/risk taker (you can refer to the description of the two plans in order to assess the risk profile of each).

Tax file

Set out below is a summary of the UK tax law, interpretation and practice which may affect you as at the date of the brochure. It is provided without liability or responsibility on the part of AXA.

Any tax treatment is dependent on a tax payer's specific circumstances and in particular, no account has been taken of any possible foreign tax aspects. We recommend that you consult an independent tax adviser before you make any decisions.

HIGH LEVEL COMPARISON OF THE INCOME TAX OR NICs DUE FOR THE TWO PLANS:

	Traditional	Leverage
AT SUBSCRIPTION	Yes Income tax and NICs on the discount provided, i.e. the excess of the closing AXA share price at the capital increase date over the Subscription Price, taken from December 2021 salary	No
AT MATURITY, EARLY RELEASE OR OTHER REDEMPTION	No income tax or NICs due	Yes Income tax and NICs are payable on any sterling gain, either at the end of the holding period or earlier following an early release event
CAPITAL GAINS TAX	You will need to consider capital gains tax ("CGT") when you redeem your units if your overall gains exceed the annual allowance for the year in which your units are redeemed	Does not apply on redemption If you transfer your units into the Traditional Plan, any future gains on those units may be subject to Capital Gains tax
ON DIVIDENDS	Maybe – UK tax residents are entitled to a tax-free dividend allowance of £2,000 per year. Any dividend income in excess of this allowance will be subject to income tax which will need to be declared through self assessment. Full details of the rates payable can be found below	Does not apply

Traditional Plan

Summary – The offer of participation in the Traditional Plan is made on the condition that you enter into a joint tax election with your employing company. When you submit the Subscription Form you enter into the joint tax election with your employing company. As a result, there will be an immediate income tax and employee's National Insurance Contributions ("NICs") charge for participants investing in the Traditional Plan if the closing AXA share price on the capital increase date exceeds the Subscription Price. Any employer's NICs charge will be borne by your employing company, if you remain employed. An explanation of the tax treatment, including examples, is given below.

Income tax and NICs charges are payable at the time of investment and will be deducted by your employing company from your December 2021 payroll and paid to HM Revenue and Customs (HMRC) by your employing company using Pay As You Earn (PAYE). The taxable amount, income tax and employee's NICs paid will be included in the form P60 figures issued to continuing employees after the end of the tax year.

The taxable amount per unit is calculated as the excess of the closing AXA share price on the capital increase date over the Subscription Price. If the closing AXA share price on the capital increase date is the same as or less than the Subscription Price no income tax or NICs charge would arise. The closing AXA share price on the capital increase date is unlikely to be the same as the Reference Price. It may be higher or lower. **This means that you will not know the final tax charge until after the capital increase date.**

There should be no income tax or NICs due when you redeem your units but you will need to consider capital gains tax ("CGT").

Important – income tax & employee's NICs in respect of the Traditional Plan will be taken from your December 2021 salary.

Tax file

The values shown in the following examples are for illustrative purposes only. Further details of the value on which the charge to income tax and NICs will be based will be given when the capital increase date has passed. Similarly the income tax and NICs rates are illustrative only, and your own rates of income tax and employee's NICs may differ from those shown, now and in the future. A separate set of income tax rates and thresholds exist in Scotland, for those subject to this regime, which are not shown here.

Example

Assume an investment of €500 in the Traditional Plan, a Subscription Price is €16.80 (that is a Reference Price of €21 less a discount of 20%) per unit and a closing AXA share price at the capital increase date of €22. This would result in 29.7619 units being acquired.

- The amount subject to income tax and NICs is €22.00 - €16.80 = €5.20 per unit.
- The total amount upon which income tax and NICs are payable is €154.76 (29.7619 units x €5.20).

In Sterling, using an exchange rate of €1.16:£1 on the capital increase date, this equates to £133.41. The exchange rate used to fix the Sterling Subscription Price is not relevant for this purpose. You will pay income tax and employee's NICs on this amount as if it were salary. The income tax and employee's NICs will be deducted from your December 2021 salary. Your net pay for December 2021 will be less than if you had not invested. A breakdown of the impact for basic rate, higher rate and additional rate tax payers is shown below:

	Basic rate tax payer	Higher rate tax payer	Additional rate tax payer
Amount upon which income tax and NICs is payable	£ 133.41	£ 133.41	£ 133.41
Income tax (basic rate: 20%, higher rate: 40%, additional rate: 45%)	£ 26.68	£ 53.36	£ 60.03
Employee's NICs (basic rate: 12%, higher rate: 2%, additional rate: 2%)	£ 16.01	£ 2.67	£ 2.67
Total income tax & employee's NICs payable	£ 42.69	£ 56.03	£ 62.70

Tax when you redeem your units - You will need to consider CGT when you redeem your units. The CGT calculation takes account of any income tax charge on subscription to avoid the same amount being taxed twice. This is done by deducting the original taxable amount from the redemption proceeds. In addition CGT exemptions and reliefs, such as the annual allowance (currently £12,300 for the 2021/2022 tax year), may reduce your total chargeable gain.

Gains might also be reduced by capital losses on other assets. CGT is currently charged at 10% for basic rate and 20% for higher and additional rate tax payers (except in relation to gains from residential property and carried interest). CGT is collected directly from you by HMRC through self-assessment. Any chargeable gains should be included in your annual tax return.

The tax treatment is the same for withdrawal following an early release event as for a redemption after the end of the holding period.

The example below shows the position where an investment of €500 (£431.03) is sold for £700 ("gain example") and for £400 ("loss example"). The original taxable amount is then deducted from any redemption proceeds to establish the amount upon which CGT is chargeable. For the purpose of this example the exchange rate is consistent at both the point of investment and the point of redemption.

	Gain example	Loss example
Redemption proceeds	£ 700.00	£400.00
Original investment (Sterling)	£ 431.03	£ 431.03
Amount previously taxed	£ 133.41	£ 133.41
Chargeable gain/ allowable loss	£ 135.56	- £ 164.44

Dividends – Dividends on the fund will result in you acquiring extras units or fractions of units which will give rise to a tax charge. Participants who are resident for tax purposes in the UK are entitled to a tax-free dividend allowance of £2,000 for the 2021/22 tax year.

Tax is payable on any dividends received over the £2,000 dividend allowance at a rate of 7.5% on dividend income within the basic rate band; 32.5% on dividend income within the higher rate band; and 38.1% on dividend income within the additional rate band.

Tax file

Leverage Plan

Summary - No income tax or NICs are payable at the time of investment.

Income tax and NICs are due on any gain when the units are redeemed, either at the end of the holding period or earlier following an early release event. A transfer of units to the Traditional Plan will be treated as redemption of your units for tax purposes if at the end of the holding period you choose not to redeem your units but instead choose to transfer to the Traditional Plan. Please note that the income tax and NICs will be deducted from salary and accounted for to HMRC and, if you are a non-taxpayer, you will need to reclaim the tax from HMRC. A separate set of income tax rates and thresholds exist in Scotland, for those subject to this regime, which are not shown here.

In certain circumstances you may also be required to meet the employer's NICs obligation. You agree to this when you join the plan.

The income tax liability on the redemption of your units arises under the employment income legislation. It is not an income tax liability arising from an investment and as such will not be eligible for any of the allowances which apply to investments e.g. the dividend allowance or the personal savings allowance.

Collection of income tax and NICs – Amounts payable to you on redemption of your units will be paid to you via payroll. The income tax and NICs due will be deducted from any gains on redemption of your units and paid to HMRC by your employing company using PAYE. This process will apply even if you left the AXA Group before redeeming your units. The taxable amount, income tax and NICs (employee's and employer's NICs) paid will be included in the form P60 figures issued to continuing employees after the end of the tax year. If you transfer your units to the Traditional Plan the income tax and employee's NICs payable on any gains made will be taken from the first available payroll.

If after you have left there is a requirement to pay an amount of income tax and NICs to HMRC on your behalf, and attempts to recover this amount from you are unsuccessful, AXA will redeem a portion of your Shareplan units on your behalf to pay the outstanding amount.

Example

An investment of €500 in the Leverage Plan is worth €800 Euros at the end of the holding period or on early release.

The taxable/NICable amount is €800 - €500 = €300. In Sterling, using an exchange rate of €1.16:£1, this equates to £258.62.

You will pay income tax and NICs on the amount as if it were salary. The amount payable to you on redemption will be paid through payroll. The income tax and NICs will be taken out of your August 2026 salary or the first available payroll in the event of an early release.

A breakdown of the impact for basic rate, higher rate and additional tax payers (excluding any potential employer's NICs liability) is shown below. For the purpose of this example the exchange rate is consistent at both the point of investment and the point of redemption:

	Basic rate tax payer	Higher rate tax payer	Additional rate tax payer
Amount upon which income tax and NICs is payable	£ 258.62	£ 258.62	£ 258.62
Income tax (basic rate: 20%, higher rate: 40%, additional rate: 45%)	£ 51.72	£ 103.45	£ 116.38
Employee's NICs (basic rate: 12%, higher rate: 2%, additional rate: 2%)	£ 31.03	£ 5.17	£ 5.17
Total income tax & employee's NICs payable	£ 82.75	£ 108.62	£ 121.55

Leaving the AXA Group and Employer's NICs

Traditional Plan: Your employing company within the AXA Group pays employer's NICs at the time of investment. However, if, when the income tax and employee's NICs are taken from your December 2021 salary, you have already left the AXA Group by reason of resignation, dismissal or mutual termination of contract, you will be required to pay the employer's NICs liability. You will be entitled to income tax relief on the employer's NICs you pay. The current rate of employer's NICs is 13.8% and it is payable on the amount subject to income tax.

Leverage Plan: Your employing company within the AXA Group pays employer's NICs when you redeem your units. However, if, when you redeem your units, you have already left the AXA Group by reason of resignation, dismissal or mutual termination of contract, you will be required to pay the employer's NICs liability. You will be entitled to income tax relief on the employer's NICs you pay. The current rate of employer's NICs is 13.8% and it is payable on the amount subject to income tax.

Interest-Free Loan

From an income tax perspective there are rules which apply to low interest loans to employees, such as the interest free loan available under Shareplan. If the total of all such loans (e.g. Shareplan, Season Ticket, etc.) does not exceed £10,000 at any time during the tax year then the benefit of the low interest is not taxable. If the total exceeds £10,000 at any time during the tax year then the benefit of all such loans is taxable. Loans that are taxable will be shown on the taxable benefits statement (Form P11D) issued to relevant employees after the end of the tax year. Where income tax is due this is collected under self-assessment and must be included in your annual tax return. No employee's NICs liability will arise.

Direct voting rights

Since 2005 you have been able to directly exercise the voting rights associated with shares acquired on your behalf under Shareplan.

Strengthening shareholder democracy

Enabling better corporate governance, the acquisition of direct voting rights represents a step towards growing buy-in for AXA's projects and successes among its staff.

How are direct voting rights exercised?

At least 15 days before each AXA Shareholders' Meeting, you will receive documents indicating in particular the proposed resolutions (decisions submitted for approval to the shareholders) and the conditions for exercising your voting rights.

You may then choose between attending the Shareholders' Meeting in person to exercise your voting rights or if you are unable or do not wish to attend, being represented or voting by correspondence using a paper form or the internet.

If you do not attend in person and choose to vote by post or to designate a proxy, you will be able to watch the Shareholders' Meeting online at www.axa.com.

N.B.: The voting rights relating to Shareplan operations prior to 2005 will continue to be exercised by the Funds' Supervisory Board.

Did you know?

If you subscribe to Shareplan 2021, you will be able to choose to receive your Shareholder's Meeting notice, information and documents by email instead of by post.

Information guide

on the protection of YOUR Personal Data

The notice below provides you with information about how AXA SA (or sometimes referred to as AXA Group) will process your Personal Data if you choose to subscribe to Shareplan. AXA UK plc shares your personal data with AXA SA in order for you to subscribe and participate in Shareplan. They also use a Data Processor called Equiniti to administer Shareplan subscriptions.

Full information about how AXA UK plc (and your employing entity) use your personal data can be found in the AXA UK Employee Privacy Notice on the AXA UK ONE site. [AXA UK Employee Privacy Notice](#)

AXA Group respects your privacy and ensures that **all the Personal Data it handles is processed in accordance with the best confidentiality practices and the applicable laws on data privacy**, and notably the UK General Data Protection Regulation (“UK GDPR”) in respect of AXA UK Plc and the EU General Data Protection Regulation (the “EU GDPR”) in respect of AXA SA. Reference in this notice to the GDPR is a reference to either the UK GDPR or the EU GDPR, as applicable.

Personal Data is considered to be any information relating to an identified or identifiable natural person (a Data Subject); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.

AXA Group’s policy on the protection of your Personal Data (the “Policy”) applies to you if you are, are about to become, or were an employee of an AXA Local Entity which also acts as data controller for different purposes and with different means. This notice also applies to you if you are an apprentice, an officer or a manager. All of them will be hereinafter referred to as “YOU” or “YOUR”.

The objective of this Privacy Notice is to inform YOU about the processing of YOUR Personal Data that applies or may apply to YOU.

The Data Controllers in the context of the processing of YOUR Personal Data (*i.e.* it determines the purposes and means of the processing of YOUR information) are:

AXA SA, a “société anonyme”, organized under the laws of France, having its registered office at 25 avenue Matignon, 75008 Paris, registered with the Registry of Commerce and Companies of Paris under number 572 093 920.

AND

AXA UK (and YOUR employing entity).

The Data Controllers are hereinafter referred to as “WE”, “OUR”.

WE may also collect Personal Data about other individuals, including YOUR spouse, children or partner. If required, WE will ask YOU to provide Personal Data about someone else, and WE will assume YOU have their permission where necessary. WE will process their Personal Data in accordance with the [AXA S.A. Privacy Notice](#) so please share it with them, and ask them to contact YOUR employing entity if they have any questions about how WE use their Personal Data.

What Personal Data (categories) do we collect and for what purpose?

WE process the following Personal Data about YOU: Treatment necessary for the performance of a contract with YOU or to take steps at YOUR request prior to entering into a contract: article 6 1. (b) of the UK GDPR: “processing is necessary for the performance of a contract to which the data subject is party or in order to take steps at the request of the data subject prior to entering into a contract”.

Purpose	Data collected
Reward & Compensation: Shareplan	<ul style="list-style-type: none">• Identification data: name, surname, birth date, email address, postal address (and province information), post code (optional), gender, language, National Insurance number, phone number (optional)• Professional data: employee number, employer identification number, hiring data, leaving data, type of employee, code establishment, work email address (only in the case where personal email is not provided)• Financial and economic information: salary (25% of the annual gross income)• Connection data: usernames (only for French AXA local Entities’ employees)

Information guide

on the protection of YOUR Personal Data

What special categories of Personal Data do we process about YOU?

If YOU wish to make a redemption request based on an Early Release Event, we may need to process special category data or criminal offence data about YOU or your spouse, child or partner. The legal basis for such processing is set out in the relevant privacy notice referenced above. However for ease of reference in respect of processing by AXA UK Plc, such data is processed under Article 9(2)(f) of the UK GDPR (for special category data) and Schedule 1, paragraph 33 of the UK Data Protection Act 2018 (for criminal offence data), because it is necessary for the establishment or exercise of legal claims i.e. your legal right to a redemption based on one of the Early Release Events.

The following special category or criminal offence Personal Data may be processed where appropriate:

Early Release Event	Data required
Civil partnership	Copy of certificate
Disability with permanent or temporary impossibility to carry out a professional activity of the participant, his/her children, spouse or PACS partner or other equivalent in your jurisdiction if relevant	Medical certificate
Conjugal violence committed against the beneficiary by his or her current or former spouse, partner or PACS partner, or other equivalent in your jurisdiction if relevant, when a police report or a court order is issued, confirming the existence of such conjugal violence	A police report or court order confirming the violence has taken place

How do we use YOUR Personal Data?

Otherwise, those personal data are collected and used for the afore-mentioned purposes on the basis of the following legal grounds: The processing is necessary for the performance of a contract with YOU or to take steps at YOUR request prior to entering into a contract (article 6 1 (b) of the GDPR);

- Article 6 1. (b) of the GDPR: *“processing is necessary for the performance of a contract to which the data subject is party or in order to take steps at the request of the data subject prior to entering into a contract”*.

How do we collect YOUR Personal Data?

In any case, in accordance with the applicable regulation and principles, YOUR Personal Data will be processed lawfully, fairly and in a transparent manner, collected for specified, explicit and legitimate purposes, and will not be further processed in a manner that is incompatible with said purposes. WE will only process adequate and relevant Personal Data, limited to what is necessary in relation to the purposes for which it is processed.

In some cases, the provision of YOUR Personal Data is mandatory. Should YOU decide not to provide YOUR information, WE might not be able to enter a contractual relationship with YOU, or to make YOU benefit from advantages linked to YOUR employment position.

Information guide

on the protection of YOUR Personal Data

When do we share YOUR Personal Data?

WE communicate YOUR Personal Data mentioned above only to identified and empowered recipients located in France.

The identified recipients mentioned above are:

- All existing AXA Entities involved in Shareplan operation (GIE AXA, Group HR, AXA Epargne Entreprise, AXA France);
- Subcontractors and Processors of AXA, for the purpose of giving AXA technical support;
- Banks, public regulators and lawyers for the purpose of complying with AXA's legal obligations.

These recipients are located within the European Union (EU).

WE will also share your Personal Data with a Processor of AXA, for the purpose of administering Shareplan. This recipient is based in the UK.

How do we keep YOUR Personal Data secure?

WE use appropriate technical and organizational measures designed to protect the personal information that WE collect and process about YOU. The measures we use are designed to provide a level of security appropriate to the risk of processing YOUR personal information in line with AXA standards.

For how long will YOUR Personal Data be stored?

OUR policy is to retain Personal Data for a period no longer than what is necessary to:

- fulfill the purpose(s) for which it was collected,
- or execute YOUR contract or to take steps prior to entering YOUR contract,
- fulfill OUR legal and regulatory obligations and requirements.

Under some circumstances, WE will anonymize YOUR Personal Data to use it for statistical or other business legitimate purposes. As this data can no longer be associated with YOU and, as such, will not constitute Personal Data anymore. WE reserve the right to retain and use such anonymous data. The collected Personal Data needed for the Processing will be retained according to the following table:

Purpose Please refer to the purposes and the data collected (categories) defined in the previous pages	Retention period Recommendations of the DPO regarding French law
Shareplan (eligibility phase)	Deletion before the next Shareplan Operation
Shareplan (subscription & adhesion phase)	Deletion: - 5 years after the deposit at the Caisse des Dépôts et Consignations repurchase of all your FCPE units/sale of all your shares - 30 years from the end of the blocking period

What are YOUR rights in relation to YOUR Personal Data?

In accordance with the French "Informatique et Libertés" law (the law on data protection and civil liberties) n° 78-17 of January 6, 1978 modified and the GDPR, YOU have the right to:

- access YOUR Personal Data and obtain a copy thereof;
- rectify YOUR Personal Data;
- request erasure of YOUR Personal Data, except if the processing is based upon the respect of a legal obligation of the Data Controller;
- ask the restriction of processing of YOUR Personal Data in certain circumstances; and
- the right to request YOUR Personal Data portability, where applicable.

You are also informed about the possibility to address any demand in relation with YOUR rights and Personal Data to the Data Protection Officer and decide about the whereabouts of YOUR Personal Data after YOUR death.

Information guide

on the protection of YOUR Personal Data

You can exercise YOUR rights by contacting YOUR local DPO.

For your information, the email address of the AXA SA DPO is: privacy@axa.com

You may be asked for information to confirm YOUR identity and/or to assist the Company to locate the data YOU are seeking as part of OUR response to YOUR request.

Finally, YOU have the right to raise any concerns about how YOUR Personal Data is being processed with a competent supervisory authority, in particular in the Member State of YOUR habitual residence, place of work or place where you think an alleged infringement to your rights occurred.

In France, the data protection authority is the Commission Nationale de l'Informatique et des Libertés, or "CNIL" - 3 place de Fontenoy - TSA 80715 - 75334 Paris Cedex 07

Glossary

AMF (Autorité des marchés financiers)

The AMF is the French securities regulator.

AXA EPARGNE ENTREPRISE (AXA EE)

AXA EE is accredited to manage employer-sponsored employee savings plans. As the custodian account-keeper for units, AXA EE performs administrative management for the individual accounts of unit holders in the Funds.

AXA INVESTMENT MANAGERS PARIS (AXA IM Paris)

AXA IM Paris is the Company in charge of the administrative management of the Funds in which employees hold units.

ADJUSTMENTS OF SUBSCRIPTION REQUESTS

Proportional adjustment of the amount of each individual subscription initially requested by all participating employees, in case the global amount of shares requested exceeds the amount of capital increase authorized by the Board of Directors of AXA.

CANCELLATION/SUBSCRIPTION PERIOD

October 14 to 4pm (UK time) October 18, 2021 (inclusive)

Period during which employees may cancel their reservation or subscribe under specific conditions (see page 11). If employees do not cancel their reservation, it will automatically be confirmed.

COMPOUND ANNUAL GROWTH RATE

Annual capitalization rate enabling to calculate the value of the savings considering the personal investment and the investment period, *i.e.* Personal investment* (1+compound annual growth rate)^(investment period) = amount of the savings at redemption.

DIVIDEND

Fraction of the company's earnings distributed to its shareholders, where appropriate. Dividends vary depending on the profits generated by the company and its dividend policy.

EMPLOYEE STOCK OWNERSHIP FUND

This is a specific employee savings UCI (Undertakings for Collective Investment). Such funds, alternative investment funds (*FIA* in French) subject to the French law, are created in order to collect the employee's savings and are offered within the context of an employee savings plan implemented by the company. The funds used in this offering are quasi-exclusively invested in AXA SA shares, which are listed on Euronext Paris, the French stock exchange.

EURONEXT PARIS

This is the French Stock Exchange, formerly known as Paris Bourse. It is considered the second largest exchange in Europe behind the UK's London Stock Exchange.

FINAL PRICE

Traditional plan: Net Asset Value at the redemption date.

Leverage plan: For details of how the Final Price (at maturity) is determined refer to the Fund's KIID and Regulations.

GROSS ANNUAL SALARY

Gross Annual Salary is the total of the reference salary paid up to 31 July 2021, plus projected salary between the 1 August 2021 and the 31 December 2021, plus any bonus/annual incentive payments received in the 12 months up to 31 July 2021. Your gross annual salary is the amount you are paid before salary sacrifice deductions and is based on the number of hours you work (not your full-time equivalent salary).

GUARANTOR/ PARTNER BANK

Natixis, with respect to the Shareplan 2021 leverage plan.

HOLDING PERIOD

Period during which your investment is locked into the Funds. There are ten events when early release is permitted, see page 12 for details of the early release events.

INTERIM PRICE

For the Leverage Plan only: for details of how the Interim Price in the case of early withdrawal is determined, please refer to the Key Information for Investors Document (KIID) – Leverage Plan and Regulations.

NET ASSET VALUE

Value of one Fund unit in Euros, calculated based on the overall portfolio value and the total number of units issued. Subscriptions and redemptions are carried out based on this value.

PRICE SETTING PERIOD

September 14 to October 11, 2021 (inclusive)

Period during which the Reference Price and Subscription Prices (as defined below) are calculated.

REFERENCE PRICE

Arithmetic average of the 20 daily VWAPs (volume-weighted average prices), *i.e.* the arithmetic average of average AXA share trading prices during a given trading day, weighted by the volume of AXA shares traded on Compartment A of Euronext Paris at each price (excluding opening and closing prices), over a period of 20 trading days ending on the last trading day before the Chief Executive Officer - commissioned by the Board of Directors - officially sets the opening date of the cancellation/subscription period.

RESERVATION PERIOD

August 24 to 4pm (UK time) September 07, 2021

Period during which employees can apply to participate in AXA Shareplan and reserve units. The Reference and Subscription Prices are not known at this stage.

SUBSCRIPTION PRICES

The prices at which you subscribe to units in the Traditional Plan and the Leverage Plan are set at a discount to the Reference Price. The Subscription Price under the Traditional Plan is set at a discount of 20% to the Reference Price and the Subscription Price under the Leverage Plan is set at a discount of 6.75% to the Reference Price.

VARIABLE PERFORMANCE MULTIPLE

This multiple is equal to the leverage of 10 x the "Participation Percentage" (65%) x the ratio between (i) the Reference Price and (ii) the addition of (a) 0.50 times the Final Price or the Intermediate Price (as appropriate) and (b) 0.50 times the Reference Price.

Warning: This document is provided to you for information purposes only. AXA SA or your employer will not provide any investment, tax or any other type of advice. Investing is a personal decision that you must make yourself, taking into account your financial resources, your investment goals, your personal tax situation and any other investment alternatives available to you. In order to analyze your own personal financial situation and your interest in investing in the different formulas offered, you may consult with your usual financial intermediary (bank, financial management adviser, etc.).

Your decision will have no effect on your employment within the AXA Group. Nothing contained in this document or in any other materials distributed or made available to you in connection with this offering shall confer you any right or entitlement respecting your employment. Participating in this offering is separate from and does not form part of your employment agreement. Participating in this offering shall not grant any right regarding future offers.

This offering is made in reliance of the exemption from publishing a prospectus provided for in Article 1(4) (i) of the Regulation (EU) 2017/1129 of the European Parliament and of the Council of June 14, 2017 concerning the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market, and repealing the EU Prospectus Directive 2003/71/CE, directly applicable in French law, and the UK version of this Regulation which is part of UK law by virtue of the European Union (Withdrawal) Act 2018.

Furthermore, the securities being offered for sale in this offering have not been recommended by any governmental securities commission or regulatory authority. Nor have any of these authorities confirmed the accuracy or determined the adequacy of this document or any other materials being distributed or made available to you in connection with this offering.

All figures are for illustrative purposes only and some may have been rounded for presentational purposes.
