Category of units: AXA SHAREPLAN DIRECT GLOBAL Capitalized in Euros (CODE AMF: 990000089419)

This FCPE is managed by AXA IM Paris, a subsidiary of the AXA IM Group

Fonds Commun de Placement d'Entreprise (French Collective Employee Shareholding Fund, or "FCPE") - *Fonds d'Epargne Salariale* (French Employee Savings Fund) governed by French law

Investment Objective and Policy

The FCPE belongs to the following category: "Invested in publicly-traded securities of the company".

Management objective

The FCPE is passively managed. The objective of the FCPE is to seek to replicate the performance of the AXA share whether upwards or downwards.

Investment Policy

The portfolio of the FCPE is fully and exclusively comprised of AXA shares, excluding any liquid assets, which cannot exceed 5 % of the net assets.

The Fund is a financial product that does not promote environmental and/or social characteristics and does not have a sustainable investment objective within the meaning of Articles 8 and 9 of the European Regulation 2019/2018 of November 27, 2019 on the publication of information on sustainability in the financial markets sector.

Currency

The currency of reference of the FCPE: Euro.

Recommended investment term

This FCPE may not be suitable for investors who plan on redeeming their investment before a period of 5 years. Unitholders should note that this recommended investment term does not take into account the statutory lock-up period applicable to their savings, which corresponds to 5 years.

Terms and conditions applicable to subscription/redemptions

Contributions / Redemptions: in cash and/or in securities due to local legal and/or regulatory constraints in the countries concerned; based on the next net asset value calculated.

Terms and conditions applicable to early redemption requests and to redemption after expiration of a 5-year lock-up period:

Redemption requests, together with any supporting documentation, as the case may be, must be sent to the Holder of Individual Unitholders' Accounts (the "HIUA"), if practical via the Company, before 12:00 noon (French time), on the Trading Day corresponding to the date of calculation of the net asset value. Any request that reaches the HIUA after this deadline will be carried out on the basis of the net asset value calculated on the following Trading Day.

Unitholders can request to set a price floor for the AXA share when submitting their redemption request.

The net asset value is calculated on each Trading Day, with the exception of legal holidays in France and any days on which the Euronext Paris stock exchange does not close at its regular closing times.

Method of exercise of the voting rights attached to the securities:

The unitholders individually exercise the voting rights attached to the securities issued by the Company or by any company related to it in the meaning of the second paragraph of Article L. 3344-1 of the French Labor Code. The double voting rights attached to the AXA shares, if applicable, held by the FCPE are attributed to the FCPE and allocated to each unitholder in proportion to the number of units the latter holds.

The fractional voting rights attached to fractions of units are exercised by the Supervisory Board, which for that purpose appoints an officer representing the FCPE at the general shareholders' meetings of the issuing company.

Legal form: individualized group FCPE.

Each Compartment corresponds to a different part of the assets and liabilities of the UCITS. Consequently, the assets of each Compartment are separate from the assets of the other Compartments and are exclusively intended to satisfy the rights of investors in relation to the such Compartment and the rights of creditors whose claims may arise in relation to the creation, operation or liquidation of the said Compartment.

The most recent version of the regulations and periodic regulatory information documents of this FCPE, as well as other useful information, are available free of charge from the management company.
